

1. Make or buy an 20cmX20cm cardboard box
2. Fill it half way with pet bedding (preferably shavings, avoid the recycled paper type)
3. Shake the box side to side to even it all out and **GENTLY** pack down the shavings
4. Place the chip on top of the shavings in the center of the box
5. Add more shavings, filling the box to the brim
6. **GENTLY** pack down the shavings, then add more
7. Seal the box. Estimate: 0.005875
